

## SYEDUR RAHMAN GIVES HIS THOUGHTS ON BLOCKCHAIN AND FRAUD PREVENTION IN BUSINESS MATTERS

---

1 Jun 2018

**Rahman Ravelli's Syedur Rahman gave his thoughts on the value of blockchain as a fraud prevention tool to a number of business media outlets. Business Matters ran an article based entirely on what he said on the matter.**

Syedur made the point that while block chain can be of value in ensuring security in transactions, it cannot be seen as a means of removing all fraud risks from business. Doing that, he argues, requires each business to analyse carefully the way it works and identify – and then eliminate – the fraud risk.
